CAREER OBJECTIVE

Dedicated and results-driven Developer with a strong foundation in Django, JavaScript, SQL, and responsive web design. Committed to building scalable, secure, and user-centric web applications. Eager to join a forward-thinking organization where I can contribute to full-stack development, API integrations, and system optimization while continuously growing as a developer.

PROFESSIONAL EXPERIENCE

Camrinfolks Pvt. Ltd.

June 2024- October 2024

- Developed and maintained responsive web templates using HTML, CSS, Bootstrap, and JavaScript.
- Built and tested Django-based applications, integrating RESTful APIs and CRUD functionalities.
- Gained expertise in database management using MySQL, ensuring optimized queries.
- Implemented user authentication and role-based access control for improved security.
- Collaborated with a team, enhancing problem-solving and teamwork skills.
- Actively participated in project lifecycle and management.

EDUCATION

Bachelor of Computer Applications (BCA)

2021-2024

Mahatma Gandhi University

Python Full Stack Developer

June 2024- October 2024

Camrinfolks Pvt. Ltd.

PROJECTS

Automobile Renting System

- Built a full-stack car rental platform with user/vendor modules, booking system, invoice generation, favorites, and feedback/complaint handling. Designed a dark-themed responsive UI and implemented vendor management features.
- **Tech Stack:** Python, Django, MySQL, Bootstrap, JavaScript

Blog Website

- Developed a blog platform with user registration, post creation, commenting, search, and category filtering. Added password hashing, pagination, and a modern responsive layout.
- **Tech Stack:** Python, Django, HTML, CSS, Bootstrap

Library Management System

- Created a role-based system for admins and students to manage, borrow, and return books with dashboards and overdue tracking. Limited students to max 3 active borrowings and displayed due dates and history.
- **Tech Stack:** Python, Django, PostgreSQL, Tailwind CSS

TECHNICAL SKILLS & OTHER DETAILS

- **Technical Skills:** Python, Django, JavaScript, HTML, CSS, Bootstrap, MySQL, PostgreSQL, Git, GitHub, VS Code, API, Debugging, Tailwind CSS
- **Languages:** English, Malayalam
- **Expertise:** Ability to work independently and in teams, Quick Learner, Strong Problem-Solving, Effective Communication, Adaptability, Time Management, Critical Thinking
